Dear families and community members,

We know that everyone values the education of every child in the province. Their safety and well-being, as well as that of our educators and school staff, is paramount as we continue to navigate the impacts on education from the COVID-19 pandemic.

Northern Lights School Division #113 is proud to announce online school from Kindergarten to Grade 12. This will provide all students within Northern Lights School Division #113 to access an education online.

Registration information to be announced at a later date.

Please contact the Edcentre for more information:

Our top priority continues to be the health and well-being of our children and communities. We can assure you Northern Lights School Division #113, the Ministry of Education and the Chief Medical Health Officer are working diligently to ensure that the return to the classroom this fall will occur in a safe yet comfortable environment for both students and school staff.

Thank you for your patience during this extraordinary time.

tiniki/marsi cho,

Jason Young

Director of Education
