Dear Parents/Guardians,

As you may be aware, Northern Lights School division #113 is having all their schools move to Level 4 from January 4 to 15, 2021. Level 4 is mandatory remote learning for all students. Students will be sent home with an assignment package (December 16, 17 or 18<sup>th</sup>) from the classes they are taking. This work is the work that is expected to be completed during these two weeks in January. We are hopeful that classes will resume on Monday, January 18.

We understand that all families may not have access to devices that students can complete school work on (with keyboards and large screens) which is why we have chosen to give out paper copies of all assignments. Students can access the instructional videos with their teachers at any time during the day through Microsoft teams which can be watched on cell phones or tablets, and send questions to their teachers the same way. ***Students will not need a computer to complete the work assigned.***

Teachers will be available from 8:45am to 3:30pm for any student that has a question. You can message through TEAMS, phone, or ask through email. Additionally, each teacher will be live on TEAMS to teach lessons and answer questions at a specific time during the day (see tables below). Lessons will be recorded for students to access later, on TEAMS, if they are unable to attend the live class session. The students should know how to access the TEAMS platform.

Thank you for your help and understanding during this pandemic time. Please encourage your student to log in and check in with their teachers and complete the assignments given to them. We will hopefully see our students back in the school on Monday, January 18. A decision will be made around Tuesday, January 15 on what will be happening in the division.

Enjoy the holidays, take care of yourself, family, and friends, and stay safe.
