Dear Parents/Guardians,

As you may be aware, a positive case of COVID was identified on Friday. All contact tracing has been done and has resulted in having 5 staff and one class having to isolate. As the result we will need to close the Grade 8/9 French Immersion and the three Grade 9 English classrooms. These classrooms will be on remote learning for the week of Feb 8-12 and returning to in-class learning after the winter break on February 22, 2021. French Immersion 30 class will be done over TEAMS for this week.

We understand that students may not have their binders and textbooks/workbooks with them. The three Grade 9 English classes are able to come to the school and get their binders/text/workbooks. Make sure you have planned to get a ride home right away after grabbing your belongings. If you can't make it in and need something, please call the school and we will plan to get it to you. Grade 8/9 French Immersion students, please give us a call and we can arrange to get things you need to you.

Teachers will be available from 8:45am to 3:30pm for any student that has a question. You can message through TEAMS, phone, or ask through email. Additionally, each teacher will be live on TEAMS to teach lessons and answer questions at a specific time during the day (see tables below). Lessons may be recorded for students to access later, on TEAMS, if they are unable to attend the live class session. The students should know how to access the TEAMS platform.
